

# This paper is about “Kotoasaki-Zeki”

He used to be a Sumo-wrestler.

His fate changed. The JAL plane crashed in Gunma. He had a stroke. He had to do rehabilitation in my hospital.

It is a true story about his active return. His wife helped Kotoasaki. It is a friendly and helpful couple. It is a moving story.

This is his signature.  
He wrote with his left hand.  
He is left handed now.

Motoharu Kawauchi takes full responsibility for this description.
